# Presentación;

*Tenemos el placer de presentar nuestro nuevo catálogo de Forja Artística, fruto de una búsqueda constante de nuevos diseños y aplicaciones, para lo que es nuestra continua pasión: la forja.*

*Trabajamos para conseguir hacer de la forja un producto con un toque de elegancia y distinción, modernizándola y adaptándola a los nuevos tiempos, pero no perdiendo nunca el sabor de la forja de antaño.*

*En este nuevo catálogo tratamos como siempre de dar ideas útiles; herreros, artesanos, cerrajeros y otros gremios del metal, encontraran en nuestros artículos una herramienta útil de trabajo, para facilitar su tarea a la ora de confeccionar sus obras. Tratamos nuestros productos con el mimo del artesano, pieza a pieza, pero utilizando los mas avanzados sistemas de producción.*

*En la actualidad Hierros Forjados Rafael Pérez Gómez, cuenta con un sistema industrializado de producción que le permite, no solo controlar la calidad de los productos*

*fabricados, sino también ofrecer productos a medida, exclusivos y competitivos. Siempre con el objetivo de ofrecer, tradición, calidad y buen servicio a nuestros clientes.*

*En este catalogo también hemos incluido expositores de forja. Según hemos ido comprobando en el mercado, es la manera más fácil y sencilla de dar un servicio mínimo*

*al profesional, ya que puede adquirir las piezas en el momento.*

*Si usted tiene alguna sugerencia o necesidad de algún producto especial, que no haya encontrado en nuestro catalogo, le agradeceríamos nos lo hiciera saber.*

# Présentation:

*Nous avons le plaisir de présenter notre nouveau catalogue de Forge Artistique, fruit d'une recherche constante de nouveaux styles et applications, pour ce qui est notre passion constante: la forge. Nous travaillons pour réussir à faire de la forge un produit avec une touche d'élégance et de distinction, en la modernisant et en l'adaptant à l'air du temps, sans perdre néanmoins la saveur de la forge d'antan.*

*Dans ce nouveau catalogue nous traitons comme toujours de donner des idées utiles : forgerons, artisans, serruriers et autres métiers du métal, trouverons dans nos produits, un outil utile de travail, à fin de faciliter leur tâche à l'heure de confectionner leur œuvre. Nous traitons nos produits avec le même soin que l'artisan, pièce par pièce, mais en utilisant les systèmes de productions les plus avancés. Dans l'actualité Hierros Forjados Rafael Perez Gomez, possède un système industrialisé de production qui nous permet, non seulement de contrôler la qualité des produits fabriqués, mais aussi offrir des produits sur mesure, exclusifs et compétitifs. Toujours avec l'objectif d'offrir, tradition, qualité et un bon service à nos clients.*

*Dans ce catalogue, nous avons inclus également des présentoirs en fer forgé. Selon ce que nous avons pu étudier du marché, ceci est la manière la plus facile de donner un service minimum au professionnel, étant donné qu'il peut acquérir les pièces à l'instant.*

*Si vous avez une suggestion ou nécessité d'un produit spécial, que vous n'avez pas trouvé dans notre catalogue, nous vous serions reconnaissants de nous le faire savoir.*

# Presentation:

*We are pleased to introduce our new Artistical Forge catalogue, the result of a constant search for new styles and applications, about what is our constant passion: the forge.*

*We are working to successfully make of wrought iron, a product with a touch of elegance and distinction by modernizing and adapting it to our times, however, without losing the flavour of the old forge.*

*In this new catalogue we try as always to provide useful ideas: blacksmiths, craftsmen, locksmiths and other metal works, will find in our products a useful tool, in order to make their task easier. We treat our products with the same care as the artisan, piece by piece, but using the most advanced production systems.*

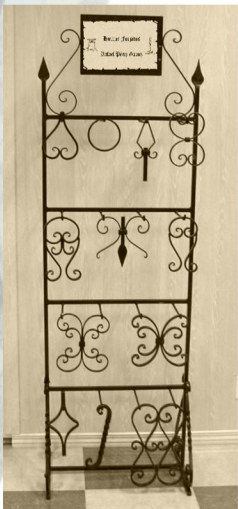

*Nowadays, Hierros Forjados Rafael Perez Gomez, count with an industrial production system that allows us not only to control the quality of manufactured products, but also offer bespoke products, exclusive and competitive. The goal is always to provide tradition, quality and good service to our customers.*

*In this catalogue, we also include wrought iron exhibitors. According to what we have been able to study in our market, this is the easiest way to give a minimum service to professionals, as he can acquire the parts at the moment.*

*If you have a suggestion or need a special product that you do not find in our catalogue, please let us know.*
